- SQL

INTERNSHIP

FrontendDeveloper-ZenHook

At Zenhook, I was part of the development team, building and optimizing user interfaces with HTML, CSS, JavaScript, and modern frameworks to improve performance and user experience. I worked on responsive design, ensured cross-browser compatibility, and enhanced UI on live projects.

Web Developer - ICT ACADEMY

Acquired practical skills in creating responsive websites with HTML, CSS, and JavaScript through an educational internship. Improved site management and design with WordPress, focusing on theme customization and plugin use. Utilized web development expertise in practical settings, advancing technical skills and collaborative abilities.

EDUCATION

B.E in Computer Science And Engineering
Velammal Institute of Technology
2024
CGPA-8.5

PERSONAL PROJECTS

Portfolio Website
- A personal portfolio website designed to exhibit information about myself.

ICICT2024 Conference Website
- Designed and developed a responsive website for the International Conference on Information and Communication Technology (ICICT-2024), hosted by Velammal Institute of Technology.
- Implemented features such as event information, call for paper submission, registration forms, and contact information.

StudyHub(VERSION 1)
- Designed and developed an educational website, StudyHub, aimed at providing simple learning resources to aid in interview preparation.
- This platform help users to enhance their knowledge and skills in preparation for job interviews now featuring with AI chatbots.

StudyHub(VERSION 2)
- Version 2 of StudyHub, which introduces new features along with enhancements to the existing functionalities from Version 1. Notably, it includes the addition of an SQL compiler with schema visualization.
- This platform provides animation and visualization for each command, offering users an innovative approach to comprehending real-world solutions.
